How to set up Patient Access – for Patients

This guide will take you through the steps to set up for the first option – **Patient Access**.

You will have received a letter or email which looks like this:

The link will take you to the website, where you **MUST** register first, before you use **Patient Access**.

The image shows a Gmail email and a website registration page. The email is titled "Patient Online Services - registration letter" and contains instructions for accessing online services. A green arrow points from the "Patient Access" link in the email to the "Register" button on the website. The website page shows a "Register" button and a "Sign in" button, along with a "No User ID?" checkbox and a "Remember Email or User ID" checkbox. A photo of two women smiling is visible on the website page.
